EPISODE 60139 - GREG & RODOLFO

Restaurateur Rodolfo and Fitness Expert Greg started renovating a fixer upper near the city with the help of Greg's father. After the completion of the top two floors, work came to a halt as Greg's father suddenly passed away. With an unfinished basement and cramped spaces for their growing parties, Rodolfo feels it is time to cash in on the home's improvement and find a house that is ready to entertain. Greg however is not ready to part with all his father's hard work. Will David find them a home ready for entertaining without the to do list or will Hilary make them fall in love all over again by reinventing many of the home's hotly debated spaces?
